

Welcome to Your Success Center

We are so fortunate to have such an amazing location for our meetings, but it comes at a price. Starting January 2013 meeting center dues will be **\$15 per month OR \$4 per meeting**. Please pay meeting dues upon arrival to the meeting. Feel free to donate items to the Success Center to offset the cost. (Example: soda, snacks, paper towels, toilet/facial tissue, cups, plates, napkins, nametags, utensils, water & etc).

All Meetings and Events are FREE for your GUESTS unless otherwise stated.

Participate in meetings and Training Center Activities. Each week consultants are needed to help out to allow the meetings to run smoothly. Get the most from your training center, those who show up Go Up!

Arrive on time. You do not want to disrupt your sister consultants and their guests who are trying to learn about our awesome business & products!

Please do not bring children. We want you to get the best training for your business and want you to be able to focus 100% on how to be a great consultant. We also want your guests to be relaxed and pampered while they are with us. This is why we ask that no children be brought to the training center. We realize that sometimes a babysitter is necessary, but if you just hold one extra skin care class per week, you will not only make enough money to pay for that sitter, but will have some left over for yourself too!

Guests are always invited! Have fun and enjoy yourself! This business is amazing and you are working for an incredible company with incredible women. Take advantage of it. Let's build your business together!
